To Whom It May Concern:

Pursuant to the Freedom of Information Act, I hereby request the following records:

All communications, including emails with attachments, between CEQ staff Chris Prandoni, or Alexander Domesle, or Mario Loyola, and the National Ocean Policy Coalition or HBW Resources. Please search for all communications between CEQ and Jack Belcher, David Holt, Brent Greenfield, Mike Whatley, or Micheal Zehr. Please search your records for all email addresses ending in "@hbwresources.com" or "@oceanpolicy.com"

To clarify, I am looking for all communications, including emails with attachments, between CEQ staff Chris Prandoni, or Alexander Domesle, or Mario Loyola, and the National Ocean Policy Coalition or HBW Resources.

Please limit this search to January 20, 2017, to the date this request is processed.

I am making this request on behalf of Documented, a media requestor, and we agree to pay all applicable fees. Documented seeks the above listed records for noncommercial use as a representative of the news media. Documented qualifies as a news media organization under the definition provided by Congress in the OPEN Government Act because it "gathers information of potential interest to a large segment of the public, and uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience."

Specifically, Documented is seeking this FOIA request because the information in it is of interest to a large portion of the public, including the many concerned citizens that regularly acquire information through our extensive range of publications. These publications include websites, blogs, newsletters, reports, press statements, social media networks such as Facebook, and Twitter. In addition, Documented reaches out to many traditional news media outlets that regularly broadcast our publications through television, radio, print and electronic articles and interviews.

Documented plans to compile the information from this request into a distinct, original work that will be released to the public through the publications listed above.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Jesse Coleman
